

Grades one and two will be celebrating the one hundredth day of school sometime in February. Students are encouraged to dress up as someone from the year 2112. Please let your child use their imaginations as they think about possible styles in 100 years. Remember: modest, clean, neat and appropriate should be kept in mind for costumes.

We will also be hosting a food drive with a goal of 100 items. Each child is asked to donate 8 items. Other events for the day include exploring the number 100 through different learning activities, a self-portrait in 100 years, and "spending" \$100 (please send in flyers).

Final date will be announced as we get closer to the event.
